

PANCREATITIS RESEARCH STUDY

Volunteers Needed

Donating nasal cells takes less than 5 minutes!

Precision Care Network is collecting nasal cells* to support research focused on improving medical care for people who have been diagnosed with pancreatitis or are at a high risk for developing pancreatitis.

*Subjects will donate nasal cells, and if applicable, saliva.

Eligibility

- ❖ 18 years or older, and
- ❖ Diagnosis of pancreatitis,
- or
- ❖ At high risk of developing pancreatitis

Compensation

- ❖ You will receive **\$25/collection** from each nostril (up to **\$50.00 total**) for your participation
- ❖ You may have the option to donate saliva

To see if you may qualify, email us at research@precisioncn.org with the subject line, “**Pancreatitis Research Qualification**”, or call us at **(919) 590-8108**
